To the best of my knowledge, I am submitting this form with my pet's permission. I understand that by changing my pet's name, I agree to refer to them by this name from now on. If I forget sometimes, that's ok. I also understand that this change may require us to acquire new collar tags, customized water and food bowls, sweaters with the pet's name, etc. I agree to be patient with people unaware of my pet's new name, and I will do my best to explain the change to them.
